### MyPassPort (Paradigm Access Portal):

MyPassPort is a secure, web-based, On-Line Management System enhancing our clients' access to all products and services supported by Paradigm, Inc.

- Orders guaranteed within 10 days or less – we average 5 days.
- 24 hour platinum emergency service at no extra charge.
- Premium 5 Day Gold Rush service, 5 days in production with the shipping service of your choice.
- **MyPunctuation.** Standardize the punctuation on each document to ensure a uniform look.
- No need to proof-read the diplomas – we have a return rate less than 1 in 25,000 diplomas produced.
- Submit orders in Excel and check the status any time of the day. View order information, download important forms, submit signatures and more.
- **Automatic notification** when orders are received and shipped.
- Email notifications directly to students when we mail their diplomas for you.
- **Nothing for you to install, maintain or learn** giving you the greatest flexibility and control now and in the future.

We provide our personal service for hundreds of Universities and Colleges across America, including, [North Carolina State University](#), [The University of North Carolina at Charlotte](#) and [Western Carolina University](#), among many others. We have not lost a client in over eighteen years – I believe this speaks volumes about our service, product quality and pricing.

Call us today, we would be happy to send you a complete proposal.

Thank you for your time.
