SPECIFIC DUTIES AND TIMETABLES

1. Committee appointments must be made by **February 15**. The Executive Committee will provide a list of interested members and the name of the Ex Officio members. From the list, the Chair should select seven or more committee members (seven is the minimum number required by the constitution), making calls to each to get a verbal commitment before confirming in writing. When selecting the committee members, the Chair should, to the maximum extent possible, ensure that the composition of the committee is representative of the diversity within the CACRAO membership in institutional type, geographic location, gender, and ethnicity. The Chair should solicit additional members, if necessary, to create the proper balance. Consideration should be given to unique experience related to the activities of the committee. Committee membership is a one year appointment. If, at any time, a committee member is unable to fulfill assigned duties, the Chair may appoint another individual to that position.

2. An appointment letter should be sent to each committee member prior to February 15, with a copy to the President and Ex-officios.

3. A Committee Roster must be prepared, sent to the CACPAO President, the Ex-officios, and the committee members prior to February 1. Name, title, institution, mailing address, telephone, e-mail, and fax are required on the roster.

4. Call a meeting for January/February. The committee members should receive a letter with the date, place, and time of the meeting, directions, and advance information about the issues to be discussed. The letter should be copied to the President and Ex-officios - who should **also be invited**. The Chair should either designate a committee **secretary** or arrange for selection by the committee, not later than the first committee meeting. The secretary should maintain minutes - retain a copy for a working notebook, send a copy to each committee member, the Newsletter Editor, the President, and Ex-officio representatives.

A. Budget Preparation. A budget must be prepared in January for the upcoming fiscal year. The Chair should take into consideration both income and expenses when preparing the budget. Great care must be taken to anticipate long-range committee activities, as well as to study expenditures from years past.

A **proposed budget** must be prepared and sent to the Chair of the Budget and Auditing Committee, copy the President and Ex Officios, by **February 15**. The budget will be reviewed by the Executive Committee. The Chair is responsible not only for preparing but also for maintaining the committee's budget. This includes completing and submitting the appropriate forms to the CACRAO Treasurer for depositing funds, reimbursements, etc. The Chair must maintain accurate and up-to-date records. Reimbursement for committee related expenditures must be submitted on a CACRAO Expense Voucher. The original and second copy of the voucher are sent to the CACRAO President. The third copy should be retained by the Committee Chair. It is important that the voucher be submitted **as soon as possible following the expenditure**.

B. Prepare an **outline of committee goals** for the upcoming year and forward to the President and copy the Ex Officios by February 15.

C. **Additional committee meetings** should be scheduled as needed. The first meeting should occur immediately after the selection of committee members in January to define duties and plan the fall Ed Op schedule.

5. The Chair will **attend the February Executive Committee Meeting** and must submit a committee report, a budget proposal, and be prepared to report budget needs and committee plans.
