Institution Information

Average class size: **22**

Student/Faculty Ratio: **13:1**

Number of undergraduate majors: **55+**

Scholarship opportunities: **All accepted students receive a scholarship based on their application information known as the LR Scholars award. Additional program scholarships are available through consideration in conjunction with our Scholarship Day event held in the spring each year and our scholarship deadline in November.**

Distinguished Facts about your Institution (please list no more than 5):

Examples include updates on campus, new programs, awards/rankings, etc.

- **Lenoir-Rhyne University was recently named by U.S. News & World Report as #7 for Best Undergraduate Teaching in the South AND as a Best Value in the South too!**

- Lenoir-Rhyne competes in Division II in the South Atlantic Conference with 23 athletic teams. We are also known to have the best athletic atmosphere in Division II with a traveling student section too! Additionally, we are the home of the 2023 Men's Lacrosse Division II National Champions, bringing home our first NCAA national championship!
- Lenoir-Rhyne has over 55 undergraduate majors! We added Computer Science with Cybersecurity Concentration, Human Resources Management, Professional Sales, Project Management, Supply Chain Management last year and this year have added Business Analytics and Digital Marketing too!
- Through the First Destination Survey with the National Association of Colleges & Employers (NACE), 97% of our 2022 graduates are employed or in a graduate school program within 6 months of graduation! This survey is done by all institutions 6 months after graduation each year and the national average is only 84%!

Virtual or In-Person Visit Opportunities for Prospective Students (please list events and registration links/websites, etc.):

- **Visit Website:** www.lr.edu/visit - Offer both in-person and virtual visit opportunities
 - **In-Person Campus Visits:** Mon-Fri at 9am-11am (except Wednesday morning) or 1:30pm-3:30pm
 - Campus tour with current student tour guide & admission conversation with an Undergraduate Admission Counselor
 - Students can request a meeting with a faculty member within their interested program up to two weeks prior to visit when scheduling
 - **Virtual Visits:** Every other Tuesday at 4pm-5pm
 - Virtual campus tour with current student tour guide & admission conversation with an Undergraduate Admission Counselor (these are very similar to our in-person visits, just held virtually)
- **Upcoming Events for Fall 2023:**
 - **#DiscoverLR – September 30th – 9:00 AM – 2:00 PM** (<https://apply.lr.edu/register/discoverlr2023>)
 - Open house event, open to all students, giving them the opportunity to –
 - Engage with members of the campus community
 - Interact & build relationship with other prospective students
 - Learn about the vast opportunities available for LR students
 - Connect with current LR Bears & hear their experiences
 - Participate in a tour of campus with a current student
 - **#ExperienceLR – November 4th – 10:00 AM – 1:00 PM** (<https://apply.lr.edu/register/experiencelr2023>)
 - Open house event, open to all students, giving them the opportunity to –
 - Explore campus with other prospective students
 - Hear from current LR students & faculty
 - Participate in a classroom experience session in the academic field of their choosing
 - Learn more about what it's like to be a LR Bear
 - Participate in a tour of campus with a current student
 - Join in the excitement on campus by attending a LR football game
- **Additional events held throughout the school year:**
 - **#ExploreLR Series – Fall 2023 & Spring 2024**
 - Smaller-scale, activity-focused events including our typical in-person campus visit experience with the addition of tickets/admission to a campus event or activity!
 - **Scholarship Day** – This is an invitation only event for admitted students eligible for additional scholarship opportunities at Lenoir-Rhyne. This event goes hand-in-hand with the November 15th, scholarship deadline this year.
 - **#ChooseLR Series – March & April 2024**
 - Smaller-scale, academically focused events for admitted & deposited students with specific colleges featured each session. These events are held on Mondays (March 11, 18, 25 & April 1, 8).
 - **#DiscoverLR – April 2024**
 - Fall open house event as detailed above, held in the spring! A great event for rising seniors as they are just beginning their college search!

Distinguished Facts about your Institution (please list no more than 5):

Examples include updates on campus, new programs, awards/rankings, etc.

- PTC operates seven campuses across its seven-county service region in the Piedmont of South Carolina.
- For two years now, PTC has offered a No-Cost Tuition Option to all in-state residents. That option expires with the fall 2023 semester. However, because of SC WINS and other scholarship opportunities, up to 70% of students in PTC's seven-county service area can attend college tuition-free.
- PTC extends a Job-Ready Guarantee to every graduate to demonstrate the college's longstanding commitment to providing students with the right training for today's jobs. The Guarantee allows students to be confident that they are entering the workforce with the right skill set while also showing employers that our graduates have the necessary training to succeed in the job, from day one. The Job-Ready Guarantee covers retraining, if needed, at no cost to the graduate or employer.
- PTC operates two high-tech Centers for Advanced Manufacturing, one in Laurens and one on its Greenwood campus. In addition to providing the newest, most sophisticated equipment to train in

mechatronics, machine tool, and welding, both centers also offer flexible space for local employers to implement tailored training programs.

- PTC offers virtual tours showcasing various areas of its campuses on the college website at www.ptc.edu.

Submit application for admission by December 1st

7. Laurens County Service Scholarship*

Separate application online – due December 1st

Students from Laurens County (S.C.) can participate in PC's rich tradition of service by becoming a Laurens County Service Scholar. As a Service Scholar, students will receive a \$30,000 total annual award while they serve 30 hours per semester with a local partner organization.

*these cannot be combined with each other or other Merit Scholarships

Distinguished Facts about your Institution (please list no more than 5):

Health Profession Graduate Programs - PC is home to 3 graduate programs: Pharmacy, Physician's Assistant Studies, and Occupational Therapy. Healthcare employment is on the rise, projected to grow 16% from 2020 to 2030 according to the Bureau of Labor Statistics. For students interested in a career as a medical professional, PC is the place to begin!

PC became a **First Scholars Institute** in January of 2023. This designation means PC is part of a community of partners committed to transforming the higher education landscape in ways that elevate potential and advance outcomes for first-generation students. Under the direction of our VP for Justice, Equity, Diversity and Inclusion, we intend to have a lasting impact on the first-generation college students we serve. Inclusivity and diversity are at the heart of PC values.

Service Entrepreneurship Competition - The SEC competition provides an opportunity for high school seniors to channel their creativity, enthusiasm, and problem-solving skills into meaningful, real-world projects. It's a launchpad for budding social entrepreneurs to make their mark. This is a full scholarship opportunity for students who submit a proposal to address a societal issue at its root cause. This competition is the largest case competition of its kind in the southeast. Please encourage your seniors to submit their proposals early; the application is open now and submissions must be in no later than Dec 1.

Affordable - All the benefits of a small, private liberal arts institution at the cost of a large flagship public school. Last year, 100 percent of our incoming class qualified for merit scholarships. Affordability is great, but what about value? Over the last six years, 97% of PC graduates were either employed or in graduate school within six months of graduation, demonstrating that employers and graduate schools across the country recognize the value of a PC degree.

As a nationally-ranked liberal arts college, US News designated PC among the **nation's best at social mobility in 2023**.

Economically disadvantaged students are less likely than others to finish college, even when controlling for other characteristics. But some colleges are more successful than others at advancing social mobility. PC is one of those colleges. With robust financial aid and scholarship programs, PC is committed to providing access to motivated students who may have thought a private education was out of reach.

Institution Information

Average class size: Typically, fewer than 25 students

Student/Faculty Ratio: 17:1 Student to Faculty Ratio

Number of undergraduate majors: Offerings include university transfer associate degree programs, applied technical associate degrees, diplomas, and certificates in more than 70 majors associated with business, health, public service, and industrial and engineering technologies.

Scholarship opportunities: Students are eligible for a number of federal and state financial aid and scholarship programs, including Pell grants, State Lottery Tuition Assistance, and SCWINS, which makes the cost of attending Tri-County very affordable. Also, the Tri-County Technical College Foundation offers hundreds of scholarships each year.

Distinguished Facts about your Institution (please list no more than 5):

Examples include: updates on campus, new programs, awards/rankings, etc.

- Tri-County continues to hold the highest ranking in the South Carolina Technical College System for student success, graduation, and transfer rates.
- TCTC ranks highest in the system and in the top 1% nationally for successful student transfers to four-year colleges & universities.

- Tri-County's tuition is in the lowest quartile among all 16 technical colleges and the lowest in the upstate. A two-year degree at TCTC costs roughly less than one semester at a 4-year institution.
- The College has campuses located in Pendleton, Anderson, Easley, and Seneca, as well as learning centers in Honea Path and our Industrial Technology Center located in Sandy Springs.

Tuition and Fees

Average In-State SC Tuition (Please include the out-of-state tuition if you are not an institution in SC):

Total tuition, with fees, room & board per year:

Most South Carolina residents attending Trident Technical College are eligible for free tuition for all academic programs through Spring 2024. Out-of-state students majoring in one of the free tuition programs will be provided a fee reduction equal to the out-of-county rate.

Please note: Students who are in default on federal student loans are not eligible for the free tuition program. DACA recipients are not eligible due to state and federal regulations. Dually-enrolled high school students are not eligible for the free tuition program; however, tuition assistance and need-based scholarships are available to reduce tuition. Students must be enrolled in a program of study at Trident Technical College to receive free tuition so visiting/transient students are not eligible.

For anyone not receiving free tuition, tuition and fees are as follows:

In-county tuition (Berkeley, Dorchester, Charleston counties)

- Per semester, full-time enrollment (12 hours): \$2,264.28, plus \$17.30 registration fee
- Tuition and fees per year (enrolled in fall, spring, summer semesters): \$6,844.74

In-state tuition

- Per semester, full-time enrollment (12 credit hours): \$2,512.08, plus \$17.30 registration fee
- Tuition and fees per year (enrolled in fall, spring, summer semesters): \$7,588.14

Room and board: N/A

Some courses have additional course fees: <https://www.tridenttech.edu/pay/cost/index.htm>

Statistics and Information

Institution Information

Average class size: 19.76

Student/Faculty Ratio: 24 to 1

Number of undergraduate majors: More than 150 programs of study in 10 areas of interest.

Scholarship opportunities: Scholarship application period will open January 2024.

https://www.tridenttech.edu/foundation/helping/fd_scholarships.htm

Distinguished Facts about your Institution (please list no more than 5):

Examples include: updates on campus, new programs, awards/rankings, etc.

Most South Carolina residents attending Trident Technical College are eligible for free tuition for all academic programs through Spring 2024.

TTC has five campus locations: North Charleston, downtown Charleston, Summerville, Moncks Corner and Mount Pleasant.

- Trident Tech coordinates the Charleston Regional Youth Apprenticeship program, which allows high school students to earn both high school and college credit while getting paid on-the-job work experience. At the completion of the two-year program, graduates will have earned a high school diploma, a Trident Tech certificate and a nationally recognized credential from the U.S. Dept. of Labor.
- Classes are offered in 3-week, 7-week and 14-week terms.
- New students are assigned a personal navigator who assists with general help and guidance throughout the enrollment process.

Distinguished Facts about your Institution (please list no more than 5):

Examples include updates on campus, new programs, awards/rankings, etc.

- 1. Guaranteed Admission for top 10%** of SC High School class - <https://www.sc.edu/uofsc/posts/2023/08/usc-to-admit-top-10-percent-in-state-students.php> - Students ranked in the top 10 percent of their class who will graduate from a public high school in South Carolina or residents who will graduate from an independent school with a graduating class of 20 or more will be admitted regardless of test scores, provided they complete the required college preparatory high school course curriculum and are otherwise eligible for admission. Class rank is determined at the end of the junior year in high school as indicated on the high school transcript provided when students apply.
- 2. Campus Village opens** for Fall 2023 – a new residential housing development will house 1,800 residents and includes a 14,000 square foot dining hall. <https://www.sc.edu/uofsc/posts/2023/08/campus-village-open.php>
- 3. New Majors:**
 - Linguistics: Languages, Literatures, and Cultures
 - Classics-Latin: Languages, Literatures, and Cultures
 - Classics-Greek: Languages, Literatures, and Cultures
 - Classics-Classical Studies: Languages, Literatures, and Cultures

- Italian: Languages, Literatures, and Cultures
 - Data analytics
 - Data science
4. **Test-optional process:**
- Test-optional applies to all areas: admission, scholarship consideration and Honors College applications.
 - Students will select within the application if they wish to have their test scores considered or not.
 - Official scores previously sent directly to USC will be considered if the student indicates for them to be.
 - Eligibility for state-funded scholarships still requires test scores; students can apply to USC test-optional but will still need official scores sent to be awarded these scholarships prior to enrollment.
 - Should a student change their mind about which testing plan they want, they can change it by November 1 for Early Answer and January 15 for Regular Decision. The selected testing plan will apply across the board. Students cannot have different testing plans for admission, Honors, and scholarship consideration.
 - Students who choose to submit scores may self-report them on the application or add more later to their USC Admissions Portal for admission consideration (up until their credentials deadline). Students applying Early Action may still submit scores past the November 1 credential deadline for scholarship consideration if they have elected to use test scores in their process.
5. **60 Nationally Ranked academic programs**, including our top-ranked Honors College public First-Year experience, Sport Science, and International Business

Distinguished Facts about your Institution (please list no more than 5):

#1 in STEM: Recently voted the best STEM University in South Carolina. USC Aiken is the future home of the SC National Guard Cyber Security Center and the only university in the world to offer SANS certificates in conjunction with a Cyber Security degree. The US Department of Energy broke ground on our National Laboratory this past spring.

College of Distinction (2022-2023): Along with this great honor as being recognized as one of the nation's top colleges, USC Aiken has been further recognized in the fields of Business, Education, and Nursing. The University received "Field of Study" badges in these areas from Colleges of Distinction.

Student Debt: Ranked #2 Best Public Comprehensive University for minimizing student loan debt in South Carolina. 27% of the students who start college at USC Aiken and graduate do so with **no debt**.

Distinguished Facts about your Institution (please list no more than 5):

- ***Pride of the Southland Marching Band:*** *Tennessee's Pride of the Southland Band has been steadily doing its drills ever since starting small over 100 years ago. Now, it's known as one of the best college marching bands in the nation with its perfectly-coordinated circle drill and trippy geometric formations. These shapes just get everyone in Neyland Stadium hyped before every game, adding to the fact that the formations are almost always in motion with the band rarely standing in place.*
- ***The University of Tennessee, Knoxville, is ranked among the best colleges in America by Money Magazine.*** *The university received a four-star rating out of five in Money's 2023 Best Colleges rankings. It is the only public university in Tennessee to make the list. The goal of Money's rating system is to help prospective students and their families find affordable colleges that offer a quality education. To compile its rankings, Money started with more than 2,400 four-year public and private nonprofit colleges and universities across the country. It narrowed down the list to 736 schools that meet four criteria:*

- o *At least 500 undergraduate students*
- o *Sufficient reliable data to be analyzed*
- o *No signs of financial distress*
- o *A graduation rate at or above the median for its institutional category or an adjusted rate in the top 25% overall*

Money ranked qualifying colleges on 26 factors in three categories: quality of education, affordability and student outcomes, which include earnings after graduation and return on investment. As Money highlighted, UT outcomes are positive for students following graduation. Six months after commencement, 90% of UT's 2022 graduates had found employment or decided to continue their education. Money also recognized the university for its affordability. UT paid more than \$86 million in aid to fall 2022 first-year students.
