

2022 SC School Counselor Conferences

COVID-19 Protocols at Site Locations

**These protocols are subject to change at each site location*

Upstate Location:

Tri-County Technical College - Pendleton Campus

Masks are optional but are not required on Tri-County Technical College's campuses.

Lowcountry Location:

Trident Technical College - Thornley Campus

Masking is optional on Trident Technical College's campuses and sites. As outlined by the CDC, individuals should consider masking based on their individual risk assessment and COVID-19 community levels, which can be found on the CDC website. Anyone wishing to wear a mask is welcome to do so.

Pee Dee Location:

Francis Marion University - Performing Arts Center Downtown

Face masks will be required only in the following campus locations on FMU's campus (effective March 1, 2022) which includes classrooms and instructional support service areas, to include the Writing Center, CASA, the Tutoring Center, and the Mathematics Lab. Also includes medical facilities, treatment clinics, and the Testing and Counseling Center University/PDRTA transportation. Masks will no longer be required in hallways, dining, recreational, entertainment, social or study areas. More information can be found at www.fmarion.edu/covidprotocols.

Midlands Location:

Richland Two Institute of Innovation (R2i2)

Masks are optional but are not required at the Richland Two Institute of Innovation.
